From Lella and Massimo Vignelli, HBF introduces the re-designed March Series of side conference seating. Inspired from the Shaker tradition, and reflecting the unique American character of this style, March blends exquisite woodworking and lightly scaled design in a classic presentation of rectilinear forms. The March Series is available with a wood slat back and a fully upholstered inset back and provides a versatile complement for modern interiors.

THE MARCH SERIES

March slat back and upholstered back chairs in HBF Caramel natural finish offer an alternative sophisticated aesthetic. Chairs may be specified in any of HBF's standard finishes on maple in addition to custom finishes.

3100-10 | The transparency of the March slat back chair, 34½OH x 21½OW x 24OD, exhibits striking compositions when arranged in multiples.

3101-10 | Upholstered back March chair finished in HBF Espresso on maple with fabric from HBF Textiles.
