

MERCER CASEGOOD SERIES

HBF

The solid, thoughtful proportions of HBF's Mercer Series and the attentive detailing offer the user a timeless aesthetic solution adaptable for many office environments. Mercer is designed and engineered to address the reality of today's furniture budgets yet offer the handmatched veneers, beautiful finishes and unique functionality that are expected from HBF.

O | An extensive offering of components in multiple sizes allows the creation of uniquely diverse office configurations. Mercer credenzas, returns and bridges feature removable access panels and recessed pedestals providing complete wall access for flexible wire management options.

02

Mercer paper management towers, to be used with overhead units, have eased edges and may be specified in satin pewter or black powder coat finishes.

03

Mercer's satin nickel Nash pull is mounted asymmetrically on all 18" wide pedestals.

04

Numerous open storage and paper management options allow the creation of unique work wall configurations.

05

Stationary and mobile table desks are available in multiples shapes, veneers and finishes.

06

Mercer casegood and conference products feature a proportionally impressive two inch top on all work surfaces.

07

Traditional pedestal desks are available in rectangular and bow front forms with flush or recessed modesty panels. Credenza pedestals may be customized to the unique requirements of each user.
