Lounge Seating

C Collection Lounge Seating - Laptop Table Specifications

Lounge Seating

C Collection laptop tables may be mounted to the side of the C lounge chair, loveseat and sofa.

Left side mount, right side mount or both must be specified for each line item.

(Only one table may be mounted to a lounge chair.)

The sofa has an additional option of adding a sliding mechanism to which two laptop tables are mounted. This allows the user to position the table in various sections of the sofa to accommodate current needs.

Laptop Tables

The C Collection mounted laptop tables are available with maple veneer tops or solid surface material tops.

Flat cut maple veneer is available in all HBF standard finishes on maple in addition to custom finishes.

Solid surface tops are standard in HBF Alabaster White.

Bases are metal with a powder coat finish available in Bisque and Mirror Silver.

Veneer finish and base powder coat color must be specified for each line item.

Tables are available with a fixed top or a 315° swivel top. Two heights are available - work surface height of 23 1/2" and occasional table height of 18". Overall dimension of table is 21OW x 13OD; worksurface area is 18" x 13".

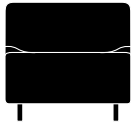

Upholstery Specification Guidelines

Due to design details of this product, fabric with horizontal and vertical lines or patterns may appear distorted when used on seating with significant curves. Some materials are not recommended for this product. A list of all HBF Textiles approved product is available upon request. All COM products being considered must be approved by HBF prior to placing the order; please send cutting for approval.
