Power/Data Unit

Oval Egg Swivel-Top Tables specifying power/data will be equipped with a power/data unit that provides two (2) 110 volt electrical outlets and two (2) Cat.5E data jacks. This unit uses a six foot soft cord with a grounded plug.

The electrical components provided within this group of furniture are engineered and manufactured in compliance with NEC regulation, however *it is the responsibility of the specifier and contracted installer of the furniture to be aware of the local building and electrical restrictions.* Electrical components meet both Chicago and New York electrical codes.

Additional voice/data inserts are available to replace the standard data jacks. These inserts can be ordered from Doug Mockett & Company (www.mockett.com) and installed as required by the end user's data specialist to accommodate specific requirements.

Coffee Tables

Oval Egg coffee tables are available with an optional cushion, 1-1/2" thick with "X" stitched upholstery detail. (These cushions are represented by a separate style number shown at the end of the Oval Egg table section.)

GREENGUARD®

This product has been GREENGUARD Indoor Air Quality Certified® when utilizing approved core and finishing materials. Please contact HBF Customer Relations for pricing and lead time information.
